Release, Whitelist or Delete from within your inbox

If you have an email that you think may be caught by mistake, you have 3 options.

1. Release

Deliver the message to your inbox

2. Whitelist

Click to Whitelist the sender & deliver the message

(All future messages from this address will be automatically delivered)

3. Delete

Click to delete the message

(Optional if you would like to delete the item completely, this step is not necessary for most users as the message will be deleted automatically from quarantine)
